

Botetourt County Public Schools
2019-2020
Special Education Advisory Committee

The Botetourt County Public Schools Special Education Advisory Committee (BCPS SEAC) is pleased to announce an upcoming informational session:

Everything You Need to Know about Medicaid Waivers, by Lauren Beckner

Date: December 3, 2019

Time: 6-7 pm

Location: Cloverdale Elementary
833 Cougar Drive
Cloverdale, VA 24077

In this session, we will learn more about waivers, the screening process, and the services that can be accessed once approved for a waiver. This session will provide important information to our families, our educators, and community service providers who support individuals with developmental disabilities.

The Botetourt County Special Education Advisory Committee functions to advise the school division of needs in the education of children with disabilities. In addition, the BCPS SEAC assists in the development of long-range plans, priorities and strategies for meeting the identified needs of children with disabilities. The BCPS SEAC is comprised of parents of students with disabilities, representatives of local agencies, community members and school representatives.

Special Education Advisory Committee meetings are open to the public. Parent and student involvement is encouraged, valued and welcomed. If you would like more information regarding the local BCPS SEAC, you may contact your child's case manager, special education teacher, or Julie A. Baker, Director of Special Education, at 540-473-8263 or jbaker@bcps.k12.va.us.

Together...we accomplish more!
