## **Superintendent Update – February 2, 2021**

Dear Botetourt County Students, Staff, Parents, and Community:

Botetourt County Public Schools was fortunate to participate in the PK-12 Public and Private Teachers and Staff Vaccination Clinic held at the Berglund Center on Friday, January 22, 2021. This event was to administer the first dose of the COVID-19 vaccine. All teachers and staff who participated in this event will be receiving the second dose of the COVID-19 vaccine on Friday, February 12, 2021. To facilitate this follow-up event, Botetourt County Public Schools will be CLOSED on this day; however, this will be a remote learning day for all students. Because our teachers will not be available, students will know in advance what assignments they are expected to complete.

Thank you for your flexibility and understanding of this schedule change.

Sincerely,

A handwritten signature in black ink that reads "Jonathan D. Russ".

Jonathan D. Russ, Ed.D.
