Superintendent Update – March 5, 2021

Dear Botetourt County High School Students, Families, and Staff:

It is hard to believe we are nearing the end of the 2020-2021 school year! Despite the restrictions imposed due to the pandemic, Botetourt County Schools has tried to create as normal an experience for our students as possible. In keeping with this goal, the high school principals and I have been coordinating our efforts to make prom a reality for our students this year. Any plans we move forward on must be in accordance with all current executive orders issued by the Governor. It is our intention to communicate our plans to the community in the coming weeks.

Our highest priority is the health and safety of our students, staff, and their families. I acknowledge this year has been challenging, but we will do what we can to observe the end-of-year traditions that our students look forward to attending.

Sincerely,

Jonathan D. Russ, Ed.D.
