

SCHOOL CLOSINGS

The superintendent or superintendent's designee may order the closing, the delay in opening or the early dismissal of any or all schools in order to protect the safety and welfare of the students and staff. When any or all schools are ordered to be closed for in-person instruction, the superintendent or superintendent's designee may declare an unscheduled remote learning day consistent with applicable laws and policies.

Unless employees are notified that their work schedule is changed because of adverse weather or emergency conditions, it is expected that all employees will work according to the terms of their contract and division policy.

During adverse weather or emergency conditions, employees follow school division policy and regulations related to work schedules. The superintendent may establish any regulations necessary regarding employee work schedules during school closings.
